

# **PENNYRILE ELECTRIC**

A Touchstone Energy® Cooperative

**On Saturday night, January 12th at 11:59 P.M. there will be an outage at the Homer Substation, lasting approximately two (2) hours. There are approximately 878 Pennyrile Electric members affected by this outage in the following areas:**

**Griffin Industries  
Concord Road  
Homer Road  
Homer Chapel Road  
Insko Homer Road  
Morgantown Road  
Hwy 79 Northeast to Chandlers Road  
Proctor Mill Road  
Stevenson Mill Road  
Dennis Road  
J. Will Stewart Road**

**Pennyrile Electric regrets this interruption of service, but it is necessary to perform maintenance within the substation. In case of inclement weather, this outage will be rescheduled.**
